### 1. Most important features

- The contract starts with the 1-3-month rate. The longer you drive, the lower the rate becomes. It will be adjusted retroactively in the next month of the reduced rate.
- All amounts are exclusive of VAT and fuel.
- We use an issue form upon delivery. This must be signed by the driver/contact person.
- You will receive an ALD Flex contract when entering into the agreement. This must be signed and returned before the delivery time.
- The rates are valid from 1 January 2024. ALD Automotive expressly reserves the right to change these rates at any time.
- Furthermore, [the general rental conditions of BOVAG](#) will apply.

### 2. Additional rates

- The mentioned monthly tariff is based on a minimum period of 30 days. If the actual period is shorter upon return, an adjusted rate applies according to our current rates.
- Optional: Fuel card (national/international) / charging card
- Delivery and collection service in the Netherlands: € 17.50 per journey (excluding driven kilometres and fuel).
- After deregistering the car, the car will be collected, and the final collection report will be drawn up in the depot of your lease company. The transport form drawn up by the driver is an indication for the purpose of transport. Inspection on location on request, from € 105.

### 3. Insurance

- Full Operational Lease: includes insurance (third party liability and all-risk), ownership tax, repair, maintenance, 24-hour emergency and break-down assistance, replacement car in both the Netherlands and other European countries mentioned on the Insurance Card.
- Including “schadeverzekering inzittenden” insurance
- Deductible for non-claimable events amounts to € 300 per event. Additional costs: if the interior is soiled, for example by smoking or pets (which is not allowed), the actual cleaning/ and or repair costs will be charged.

### 4. Car

- In the winter season we provide the car with tires according to the European winter specifications. We do not charge extra costs for this.
- The ALD Flex cars are equipped with Apple Carplay/Android Auto or navigation.
- The ALD Flex car comes with (a copy of) the registration certificate and including spare key.
- The request for a Flex vehicle is based on our current categories and depends on the availability. The driver will receive the available option(s), and no guarantees can be made on an exact brand/model.
- If no vehicle is available in the ordered category, you will receive a free upgrade.
